Tips for Pregnant Women

- Do not over bend the back
- No cold or raw foods
- No raw fish, meats
- No cold or icy drinks
- Only warm water
- Reduce caffeine intake to minimal or none
- No excessively oily/fried foods
- No watermelon
- No ice-cream (1-2 trimester)
- Avoid toxic fumes, chemicals, hairspray, nail polish
- Stop smoking and drinking
- Do not lift anything heavy
- No high heels shoes
- No sexual intercourse until 3 months
- Have at least 3 regular meals a day
- No flying in the first trimester or last
- No scary movies or very emotional movies
- Try to stay happy and positive at all times
- No extreme exercises, only walking and swimming
